

## Extreme Rubber Gym Tiles

One of the best rubber tiles on the market today, Extreme Rubber Tiles provide for ultimate durability, shock absorption and feature best in class design elements for any rubber flooring application.

These high quality rubber gym tiles are very easy to install with our simple QuadBlock connection system. Each tile comes with a QuadBlock to connect to other tiles regardless of configuration. This system also makes it easy to reconfigure tiles at any time.

Extreme Rubber Gym Tiles also feature a patented wear layer and pedestal feet, making it slip resistant (wet or dry), sound and shock absorbent, and able to withstand constant abuse without showing significant wear.

Proudly made in the USA, these rubber tiles come with a 15-year factory warranty. For use anywhere needing high quality, impact resistant rubber flooring.

- 1" Thick
- 24" x 24" Tile
- Easy to interlock dowel system (six included per tile)
- No adhesive required
